

Alain Pinel Realtors® is the largest independent real estate firm in Northern California, with over 1,400 agents across more than 30 offices, from Carmel to Wine Country, San Francisco to Lake Tahoe.

A major part of our success is our internal agent network, which uses the latest technology to make your home visible throughout the Bay Area. We're family-owned and local experts, and we're here to provide you with what the larger franchises can't deliver: the deepest knowledge of our local markets.

We know and love the Bay Area, because it's where we're from. It's important for us to give back to the communities in which we live and work.

Our extensive Bay Area footprint and inter-networking capabilities set us apart from anyone else in Northern California, and our commitment to advocating for our communities gives you—whether you're buying or selling—a substantial advantage.
